Hello Professor Eric,

Appreciate you for reaching out to me. Great to hear of my artwork being chosen for your 7th grade class project. Wow, even beating out the great Rembrandt-LOL.

Wishing you many blessings for you and your students.

Best regards,
Paul

Message: Dear Mr. Chung, I am a retired professor, now teaching 7th-grade math at a small school, Cedars Christian Academy, in Bloomington Indiana. We had a contest, and you beat Rembrandt. I had my students write letters to you, to learn how to write letters, and the best one is at one of the two addresses below. IHS, Dr. Eric Rasmusen
