to me

Dear Dr. Jackson,

Thank you, we're very excited about the baby. The due date is March 17, so still a little ways to go.

Yes, the paper's willful ignorance of Schenker's Jewish identity is indeed troubling. That seems to mark it as implicitly antisemitic, at the very least. I think that, had he limited his criticisms to Schenker the man, it would have been slightly less problematic. But his claim that the entire theoretical world view—and by extension those who helped spread it—is racist becomes very problematic when we consider the intimate connection between schenkerian analysis and the Jewish identity. I think that it is possible to address biases in Schenker studies (and academia in general) and advocate for increased transparency without demonizing an entire methodology (especially one with strong Jewish roots). Ewell's talk certainly failed in that regard.

Regards,

Levi
