Dear Rebecca,

Thank you for your supportive words. These last few days have been exhausting and there is much more left to be done, but we are proud of what we have already accomplished. We look forward to tackling these issues together!

Dear Dani and Peter,

As GAMuT's advisor, I want to thank you for your leadership and for the MHTE graduate students' professionalism in responding to the recent issue of the Journal of Schenkerian Studies. Indeed, as we learned in the diversity and inclusion training last fall, the department has much work ahead of it, work in which I hope to take an active role.

All the best,
Rebecca
